CATARINA'S

Our Restaurant

Started in May of 2006 by Antonio Mollo and his family. Catarina's was created as a tribute to his wife Catherine. Antonio was born in San Giovanni Incarico Italy. He and his brother Dominico began in their Wakefield location in 1976 where they used Old Family Recipes handed down through generations to create an authentic Italian Kitchen. Combining our old world family recipes with imported ingredients: cheeses from Parma and Milano, olive oil from Lucca, Balsamic vinegar from Modena to produce a truly Italian dining experience. Our bread is made and baked fresh daily in our hearth stone ovens, we hope your visit with us pleases you as much as serving you pleases us.
